

Apple for the Teacher

Brighton's teachers make a difference in the lives of their students. Please join us in recognizing their good work.

Each year at this time we encourage families to let teachers know how much their efforts are appreciated by writing them a note ...and making a donation in their honor to the Brighton Education Fund.

Just fill in the gift information below and write—or have your child write—a personal message on the bottom of this form. Return both parts to us in the envelope provided and we will deliver your note to the teacher along with a card saying you've made a contribution in his or her honor.

By returning this form, you're not only thanking special teachers for a job well done, you're also helping BEF support innovative programs that are beyond the reach of the school district budget. Most of our grants provide permanent enrichments to the district's programs.

To learn more about BEF, visit our website, www.brightoneducationfund.org.

Additional copies of this form are available on our website and at the Brighton Central School District office, 2035 Monroe Avenue.

Brighton Education Fund is a component fund of Rochester Area Community Foundation.
